CONTINUED LEARNING PLAN

In order to continue you child's learning during the school closures related to COVID-19 (coronavirus), I have created the following at-home plan:

- **SPRING BREAK PACKET**
Must be completed before returning to school
- **JOURNAL WRITING**
Have your child keep a journal about what they're doing at home, how they're feeling, what they wish they could do, how much they miss school, etc. 😊
- **READING**
Have them read every day and write a Book Review for at least 5 of their favorite books
- **ONLINE RESOURCES**
Have your child log on to the websites/apps below for additional practice
